About Me

Computer Science Masters candidate from the **University of the Witwatersrand**. Passionate about software development and cloud computing, with a strong foundation in coding, problem-solving, research and system design. Eager to contribute to impactful projects and grow within a dynamic and innovative tech environment.

Skills

Technical Skills:

- Avid Coder
- HTML/CSS
- Javascript
- React
- MERN
- Java, Python, C++

Other:

- Leadership
- Public Speaking
- Communication
- Adaptable Learner
- Team Player
- Tutoring

Education

- **MSc Computer Science Candidate**
University of the Witwatersrand 2026 - Present
Investigating how multi-agent reinforcement learning systems develop implicit communication conventions under binary bandwidth constraints
- **Honours Degree in Computer Science**
University of the Witwatersrand 2025 - 2026
Relevant Coursework includes:
Artificial Intelligence, Reinforcement Learning, Adaptive Computation and Machine Learning, Natural Language Processing
- **Bachelors Degree in Computer Science**
University of the Witwatersrand 2022 - 2024
Relevant Coursework includes:
Mathematics, Applied Mathematics, Data Structures & Algorithms, Analysis of Algorithms & Software Design

- **Computer Science Tutor**
University of the Witwatersrand 2025 -
Included assisting final year students in understanding complex concepts, improving problem-solving skills, and preparing for exams, invigilating exams and marking tests and tutorials.
- **THEWRDLM**
Independent 2025 -
Developed an AI-powered biblical study assistant using Retrieval-Augmented Generation (RAG) over the full KJV corpus; features conversational query and full-text Scripture search.
- **Software Development**
University of the Witwatersrand 2024 -
Created and designed, **full stack**, state-of-the-art web applications using **Agile methodology**, resulting in a robust and scalable products. Contributed to the **front-end design** and creation of **UI/UX elements**, integration of the front-end and **back-end** on various features of the app.
- See my [Portfolio Website](#) for more in-depth information on the various projects.

Honours & Extra-curricular

- **Student Council Leader**
Maragon Mooikloof 2019 - 2021
- **Wits Seventh-day Adventist Student Movement Public Relations Officer**
University of the Witwatersrand 2023 - 2024
- **Wits Seventh-day Adventist Student Movement Vice Chairperson**
University of the Witwatersrand 2024 - 2025
- **3X Public Speaking National Winner (Radikale Redenaars)**
Maragon Mooikloof 2017, 2019, 2021
- **2X Toastmasters International Prepared Speech Winner**
Maragon Mooikloof 2016, 2019
